SALT ELIMINATOR CHLORIDE REMOVING DETERGENT

A revolutionary new maintenance product, Salt Eliminator makes the difficult, yet vital task of salt removal easy. Magnesium, calcium, and sodium chloride salts can speed up the corrosion process by hundreds of times. These salts can damage carpets, upholstery, leather and other surfaces as well.

Use Salt Eliminator for chloride removal or day to day cleaning, and experience less rust and better looking, salt-free equipment.

FEATURES

- Easily rinses to a beading, waxy finish
- Removes even heavy salt build up quickly and easily
- Reduces surface rust
- Can be used in any wash system
- Designed for heavy duty applications
- Contains no solvents, NPEs or VOCs

USES

- Heavy duty vehicle and machinery wash
- Cars, trucks, vans, buses, bikes etc.
- Plastic, rubber and vinyl
- Carpet, upholstery and leather
- Pre-soak foam gun, aerosol can, bucket wash or pressure wash system

SALT ELIMINATOR™

ORDER NUMBER	
Aerosol	KA1198-12
1 gal.	KA1199-4
5 gal.	KA1200

DILUTION RATIO	
Heavy Duty	3:1
Recommended	10:1
Light Duty	20:1

SALT ELIMINATOR
Targets and removes harmful
road salt and chlorides

KL73 RUST INHIBITOR / LUBRICANT

Krown KL73 Corrosion Inhibitor is formulated to help control corrosion in the most damaging of environments. Unlike many competitive products, KL73 contains no solvents which are hazardous to the environment, dangerous for the user and damaging to paint, plastic and rubber.

Put money back in your pocket by using KL73 to reduce instances of corrosion in a variety of different areas from spot welds to electrical connections. Reduced electrical failure alone will produce a net profit.

KL73 is a solvent free alternative that will extend equipment life, keep equipment looking better, reduce the cost of ownership, reduce maintenance, downtime and frustration.

FEATURES

- Dielectric strength 50kv, safe on all electrical
- Remains active despite washing or road wash
- Effective in high and low temperatures
- Food grade approved throughout North America
- Actively displaces moisture
- Solvent-free

USES

- Battery terminals, starter wires, pin connectors, weather packs
- Protect the body, chassis, dump beds, salt spreaders, plow attachments
- Moving parts, locks, live bottom chains, salt spreader chains, 5th wheel plate

With Krown Products you will receive all of these benefits...

- » **Fewer highway breakdowns** » **Downtime will be reduced**
- » **Longer life cycle for vehicles** » **Increased resale value**
